VALE PP MAX RICHARDSON

President of Engadine Club in 1984-85, awarded a Paul Harris Fellowship in May 1996 for his continued efforts in the community & Rotary.

During Max's 50 years in Rotary, Max was well supported by Lovise. Lovise has her own excellent community minded resumé, chartering Sutherland Inner Wheel Club and held the hard-working role of Australia's National Inner Wheel President.

Max and Lovise have been a fabulous and generous team.
In February last year we held a function to celebrate Max's 50 years in Rotary.
