## Opera in The Arboretum 2024

23 March 2024 and in the blink of an eye, another spectacular Opera in the Arboretum. Congratulations and fabulous work Wayne, Michael and Justin, members of the Opera Committee and the Rotary Club of Woy Woy, our Artists, Umina Surf Club, the Conservatorium and so many others.

Not to break from tradition, the Opera was blessed with a beautiful day and a crowd ready to relax and be entertained. The Arboretum came alive as the music floated through the beautiful bushland and all who partook, enjoyed a wonderful afternoon of food, music and nature as did our regular visitors, the Kookaburras.

## **Gordon Waterhouse Memorial Music Scholarship**

**Thursday 23<sup>rd</sup> May at 7.00 p.m.**

**Zenith Theatre, McIntosh Street, Chatswood.**

**Absolutely Free**

This scholarship (totalling > \$4,000) provides the young musicians to be recognised for their performance excellence, citizenship and their service to music within their school. It also raises awareness of Rotary within our young citizens and fosters Rotary ideals of service.

Rotarians, partners and guests make an important contribution to the evening by attending and being an appreciative audience. Most of the previous winners chose music as their vocation.

The Chatswood Railway Station is only 400 meters and free parking is available on nearby streets. Alternatively you can park under the theatre (off McIntosh Street) - tickets can be stamped for a discount at the box office.

Rotary Clubs of St Ives (report from St Ives is below), Ku-ring-gai, Turramurra, Wahroonga, Upper Northern Beaches - The BOBBO Cycle Classic

*This year we had 5 Rotary Clubs collaborating together to bring the event to conclusion. Our club appreciates the many hours of meetings Harold Morgan and John Steel attending representing our club. The time commitment to mailouts coordinated by Harold are legendary!*

*John Waterhouse coordinated the registration of volunteers and Derek Molloy and Tim Wilson led the volunteer teams on the day.*

*Many of our members did double shifts as marshals. The encouragement and support they afforded riders helps us earn the reputation of being the most positive bike ride of the year according to the cyclists.*

*Rider safety is paramount! We ensure this happens by having outstanding street signage, and of course an army of volunteers along the course. Not to forget St Johns Ambulance guys in attendance.*

*Back at Karuah Oval the BBQ team were on deck from before dawn to late afternoon – what a marathon effort! Tim England has again earned himself the reputation of BBQ King, Harold set it all up and coordinated the volunteer roster during the day. Russell did an amazing job managing the cash flow – or at least keeping the tap and go payments flowing beautifully! Di Barnes spent the afternoon at the BBQ and the morning roaming around to make sure we captured these great photos of our members in action.*

“Rotary takes ordinary people and gives them extraordinary opportunities to do more with their lives than they ever dreamed possible.”
