THE CHRISTMAS TRAILER RAFFLE

Day 2 of the Trailer Raffle saw us at Thornleigh Marketplace, one of our favourite selling venues. We improved on last week's effort by selling 264 tickets which produced \$935.00 sales. A good increase on last week but a bit less than last year at this venue. It was encouraging to have a number of people thank us for what Rotary does, and also those who especially gave because we are supporting St Lucy's School.

Thanks to the morning team of John Ellis and David Firth, and they were followed by the afternoon team of Ida Shi, Maureen and Terry Pankhurst. See the photos below -

Spencer Rural Fire Brigade Visit

On Saturday, 28th October, we visited Spencer Rural Fire Service. It was a lovely drive, a warm sunny day and we took the BIG cheque with us to make a donation of \$2000 to this very worthy bunch of hard working people.

PP Don presented the cheque to Captain Alison. We were made very welcome and there was a magnificent morning tea which we certainly all enjoyed. So much so that our plans for lunch were scrapped. Some had a tour of the fire engines and Alex was lucky enough to sit up behind the wheel.
